RE: Fail to comply with 76(1)(e) of the Oil and Gas Activities Act

Dear Mr. Rodenbush,

On September 6th, 2022, the BC Oil and Gas Commission (Commission) (now known as the BC Energy Regulator) received a complaint from the pipeline permit holder that ADR Excavation (ADR) was conducting unauthorized activities at 6112 Lipsett Ave in Peachland, BC.

During the investigation by the Commission Staff, it was determined that ADR had not called BC1 call and had conducted a ground activity greater than 30cm in depth without written agreement from the pipeline permit holder. All prescribed activities require a BC1 Call before work commences.

Given the circumstances, ADR is hereby issued a warning for the following:

ADR Excavation, on or about September 1st, 2022, did fail to comply with section 76(1)(e) of the Oil and Gas Activities Act

If ADR has any questions about this matter, please feel free to contact the undersigned.

Sincerely,
