Dear Ms. Hokanson:

**RE: APPLICATION FOR COMMINGLED PRODUCTION (AMENDMENT #1)
ARL NOEL a-48-J/093-P-1; WA# 14140**

This is further to our letter of June 10, 2002 approving commingling in the subject well.

The Commission has completed a geological review of gas wells in the Noel and Kelly area. Based on this review, the Commission now designates the gas pools in this well to be Gething "D" and Falher A "A" pools of the Kelly field.

Accordingly, the commingling approval is amended to reflect the new field designation. Please note that all other conditions of the approval remain unchanged.

Sincerely,

P.S. Attariwala, P.Eng.
