Anadarko Project (02)

Dear Ms. McKean:

**RE: GOOD ENGINEERING PRACTICE APPROVAL
BLUEBERRY WEST - DUNLEVY "A" POOL**

Attached is a Good Engineering Practice (GEP) scheme approval for the subject pool, as requested in your application of January 4, 1999 from Berkley Petroleum Corp. It is noted that Anadarko Energy Corporation has now acquired Berkley.

The Approval 01-06-006 is hereby granted under Part 8, Division 6, section 101 of the British Columbia *Drilling and Production Regulation*. This approval will allow the drilling of gas wells without regard for spacing and target regulations in order to optimize pool drainage and recovery.

An objection to this application was filed with the Commission by an interest holder following the initial gazette period. As noted in your letter of December 19, 2000, the area of application is now held by Anadarko Canada Corporation 100%, rendering the earlier objection invalid.

Should you have any questions, please contact Peter Attariwala at (250) 952-0311 or Ron Stefik at 952-0310.

Sincerely,
