CNRL Project #3(14)

Dear Mr. Wylie:

**RE: GOOD ENGINEERING PRACTICE APPROVAL
POOL DESIGNATION CHANGE
DRAKE - NOTIKEWIN "A" POOL**

The Oil and Gas Commission issued Canadian Natural Resources Limited (CNRL) a Good Engineering Practice (GEP) scheme approval (#05-06-012) for the Chinchaga River field - Notikewin "B" pool on February 16, 2005.

As a result of recent geological re-mapping by OGC staff the pool designation associated with this approval has been changed to the Drake field - Notikewin "A". As the third GEP project operated by CNRL in this pool, the project reference name is Drake Notikewin A CNRL Project #3. All conditions of the GEP remain unchanged. The sole purpose of this letter is your notification of this information, no action is required on your part. (14)

Should you have any questions, please contact Ron Stefik at (250) 952-0310.
