Dear Mr. Marshall:

RE: GOOD ENGINEERING PRACTICE APPROVAL AMENDMENT JEDNEY - BALDONNEL/UPPER CHARLIE LAKE 'A' POOL

This is with respect to your application dated November 21, 1997 requesting that the Good Engineering Practice approval of December 20, 1988 for a portion of the Jedney Baldonnel/Upper Charlie Lake 'A' pool, be modified to cover additional lands.

We concur with your geological interpretation. Accordingly, the Bubbles North Baldonnel "C" has now been mapped as Jedney Baldonnel/Upper Charlie Lake "A" pool by the Ministry. Therefore, your request for modification of the GEP approval is considered appropriate. Attached is GEP Approval 88-06-008 (Amendment #1) granted under Part 8, Division 6, Section 104 of the *Drilling and Production Regulation*, for a portion of the subject pool.

Should you have any questions, please contact Peter Attariwala at (250) 952-0311 or Ron Stefik at (250) 952-0310.
