Dear Mr. Kwan:

RE: GOOD ENGINEERING PRACTICE APPROVAL
CHOWADE - BALDONNEL "A" POOL

The Commission has reviewed your application dated January 27, 1999 requesting Good Engineering Practice (GEP) for the Chowade Baldonnel "A" gas pool.

We concur with your geological interpretation and have now mapped Baldonnel "A", "B" and "C" pools as one pool which has been designated as the Chowade Baldonnel "A" pool.

The GEP Approval 99-06-002 is hereby granted under Part 8, Division 6, Section 101 of the *Drilling and Production Regulation*. This approval will allow the drilling of gas wells without regard for spacing and target regulations in order to optimize pool drainage and recovery.

Should you have any questions, please contact Peter Attariwala at (250) 952-0311 or Ron Stefik at (250) 952-0310.

Sincerely,

B. van Oort, P. Eng.
